Our website address is:- <http://members.westnet.com.au/u3atownsville>. On this website you can read your newsletter and get any updated information. To save trees and expenses members are asked to contact the office by email to receive your newsletter by email, instead of the printed, posted hardcopy. Those who prefer the printed version will still receive it as usual upon request.

ANNUAL GENERAL MEETING

This year the 2015 AGM will be held at the Community Training Centre on Wednesday 16 March at 9.30 for 10 a.m. start. The address is 261 Ross River Rd, Aitkenvale. For old-time Townsvillians this is the old Centrelink building. People coming to the AGM should bring a plate (paper). Coffee and tea will be provided. The map shows parking spaces.

PRESIDENTS REPORT

Welcome everyone to the New Year, 2016. I hope you have all had a pleasant Christmas holiday. Now that Christmas is past, it is time to look forward to the classes this year, and to meet up again with people of similar interests.

In this newsletter, you will find a notice about our upcoming Annual General Meeting. We were not able to secure our usual venue at the Annandale Community Centre from Townsville Council. However, thanks to the generosity of Community Training Australia (CTA) we have an alternative at their training centre located at 261 Ross River Road. The AGM will commence with one of the representatives of CTA giving a talk about the aims of the organisation throughout Australia. More details are given on other pages in this newsletter together with a map of the CTA premises and nearby car parks. Also in the newsletter below is notice of a Special Resolution to restrict the tenure of the management committee of President, Vice President, Secretary, and Treasurer to three years. Please read this and be prepared to vote one way or the other on this Special Resolution at the AGM.

Three long-standing members of the committee have decided to focus more of their attention on grandchildren, gardening, cooking, travel, etc. and have tendered their resignations. One of the ethics of the U3A movement is that as many members as possible should be involved not only in their special activity but in the administration and tutoring side of things as well. It's often said that U3A could not exist without tutors, but equally U3A depends on the committee to enrol new students, keep track of our finances, prepare functions, deal with correspondence, keep the database up to date, prepare the newsletter four times a year, take the minutes of meetings, maintain the web site, handle telephone messages, do the banking, and attend meetings once a month. The smooth running of your U3A relies on a full committee to share these activities. Please take the time to come along to the AGM and nominate for a position on the committee to help steer our U3A through the coming year.

Best wishes to you all

Graham Collins

Special Resolution for the AGM

For some time the U3A Townsville committee has been toying with the idea of limited tenure for the President, Vice President, Secretary, and Treasurer. Many other incorporated organisations have this provision in their Constitution, but not Townsville. It's rare that incumbents are defeated in elections, so that the positions can be held for many years. However, the committee feels that no person should hold a position for so long that he or she begins to believe that the position is exclusive or permanent or that the duties are completely predictable. At the U3A Townsville committee meeting held last November, it was decided that terms of three years should apply to the four management positions, and that our constitution should be amended to reflect this. A change to the constitution requires that a Special Resolution be passed at a general meeting, including the Annual General Meeting

The following Special Resolution is moved by G. Collins and seconded by B. Ponder:

That Section 5.6 of the Constitution of U3A Townsville Inc. be amended to include sub-section 5.6.4:

The tenure of the President, Vice President, Secretary, and Treasurer is to be limited to individuals being re-elected at three consecutive AGMs, with a mandatory one year break before re-appointment or re-election to the same position. The terms of tenure are to commence from the 2015 AGM held in March 2016.

SUCCESSFUL INVESTOR

Our classes commence on Thursday 4 February 2016. The class has been running for over 20 years now, and it has been enthusiastically and expertly tutored by Mr Robbie Fuller. Last year we had over 50 members, some of whom are highly experienced and successful share traders and investors.

People from all walks of life meet to pit their wits against investment markets, exchange ideas and strategies, and make a quid. Although the subject matter is mostly to do with share trading and value investing, and the technical analysis and literature research behind these, property and commodities are also discussed. In-class participation by members is actively encouraged. Occasionally, guest speakers are invited to give presentations on investment-related topics.

What do the markets hold for us in 2016?

The Heatley Community Hall on Fulham Road, Heatley, continues as our venue for 2016. Entrance is gained via Lindeman Avenue, off Fulham Rd. The car park has ample shaded parking. Classes are held on Thursday mornings, starting at 10am sharp. There are 40 classes a year. On the first Thursday of each month, we stay after class for morning tea. On other occasions, some members gather for refreshments at a local café after the class.

The class is an activity of the University of the Third Age (U3A), and as such it is a pre-requisite that participants must join U3A as members. This is also essential for insurance purposes. The current annual membership fee is \$25. You are required to display your membership card to enter the class.

A small annual fee is also charged by the class committee to cover venue hire.

We look forward to seeing some new faces in 2016. For more information please contact Robbie Fuller on 4755 0161 or John Weil on 4723 8615.

John Weil, Treasurer/Secretary

FOLK DANCING

Photo from L to R: Bev, Carmel, Gwen, Gai, Judy, Yvonne, Norma, Anna, Francesca.

The International Folk Dancers performed 3 dances at the Christmas lunch in November. First up was *Sulam Jaakov* from Israel which translates as Jacob's Ladder. This was followed by a slow, elegant dance from Russia called *Posadilla Rozu* (I planted a rose). To finish, the group danced the popular *Lathos* from Greece. Dancing starts again on **Monday 1 February**, from 1.30-3.00pm, and new dancers are always welcome; no partner and no experience needed. Call 0417780016 for details.

CANASTA CLASS

2015 ended on a high note. Our Christmas lunch at the Vale Hotel was delicious, and served on time. My thanks and appreciation to all those members who aided in the smooth running of our class through the year. After a 3-week break, we are ready to enjoy another great year.

If you would like to give Canasta a go, we welcome all, especially Beginners. **Wednesdays 9.30 to 12.30** at the Aust/German Club. Call **Bev – 0413389534**.

SOCIAL GROUP

The Silly Season is almost over and already Hot Cross Buns are in the stores for Easter. 2015 went by so fast – hopefully 2016 will be the year to slow down a bit to smell the roses.

The Social Group meets on **Saturdays** at **10am**, usually for coffee and a chat, sometimes for another outing. If you are at a loose end – come join us. Call **Bev 0413 389 534** for more info.

CLASS NEWS

Magnetic Island – we're back on the rails

Don Kinsey

Our Christmas party on Friday December 4 was once again, a marvellous success. Background music provided by our **Making Music** group was beautifully presented.  Once again we wholeheartedly thank Alastair for hosting us in his delightful home.

Our Monday morning big science class has been renamed **Monday Talks**. This is because of the uncertainties of me getting fully back onto the science agenda. Newly married Mike Keating, who has heroically bailed me out since recommencing our physics course in November, will probably not continue indefinitely with the science courses. Accordingly, we will be using Monday mornings for a variety of speakers and short courses. These will include Peter and Tania presenting a Philosophy based course of six weeks or so later in the year. I am hoping to recommence **Computer Users** and **Music Appreciation** in the reasonably near future. I am happy to say all other courses and activities have continued and will continue as normal.

General enquiries – Don Kinsey (47 581 349) If you want to know what's happening on the Island (not just U3A) try going to www.whatsonmagneticisland.com.au.

CREATIVE WRITERS

The Creative Writers group finished off 2015 with lunch at the Vale Hotel, and we are back in action again as of 19 January. With our pens at the ready, hopefully, our creative juices will flow freely after our month's break.

With each anthology we produce, the profits from sales go to two worthy local charities – Mates 4 Mates and the Townsville

Hospital Palliative Care unit. Both of these groups are extremely thankful for our continued support and we, in turn, are grateful to those who buy our books which make these donations possible.

We look forward to another year of writing, fun and friendship, for that is what our group is all about.

A POEM TO WHICH I CAN RELATE

I remember the corned beef of my
Childhood,
And the bread that we cut with a knife,
When the Children helped with the
housework,
And the men went to work not the wife.
The cheese never needed a fridge,
And the bread was so crusty and hot,
The Children were seldom unhappy,
And the Wife was content with her lot.

I remember the milk from the bottle,
With the yummy cream on the top,
Our dinner came hot from the oven,
And not from a freezer; or shop.
The kids were a lot more contented,
They didn't need money for kicks,
Just a game with their friends in the road,
And sometimes the Saturday flicks.

...

I remember the slap on my backside,
And the taste of soap if I swore
Anorexia and diets weren't heard of
And we hadn't much choice what we wore.

Do you think that bruised our ego?
Or our initiative was destroyed?
We ate what was put on the table
And I think life was better enjoyed.

Would you like to enter the world of Computers but aren't sure where to start?

I have been doing research online to find good deals for those U3A members who don't presently have a computer but would like to try using one. First consideration is – do you want a **desktop computer** or a **laptop**? How much space do you have at home? Do you want to take your computer with you when you go out? The most portable option is a tablet or smart phone but these do not have a strong second hand market yet.

If you find you love (or even like) the computer, you will need to find an **internet service provider**. Also essential of course is a **printer**, but that can be bought later. **Remember, U3A has a number of people who can help, if you need it at any stage.**

The following information is extracted from websites:

TheLaptopMan has a variety of ex-lease and refurbished computers – laptops and desktops available at affordable prices. Brands include Dell, HP, Compaq, IBM and Acer. They range from \$199 and come with a 3-month warranty. We also sell ex-lease and refurbished LCD Monitors that, together with a desktop, give you a full package for all home users. For more information, please contact enquiries@thelaptopman.com.au.

WorkVentures Connect IT offer commercial-quality, low-cost refurbished computers for non-profit organisations and people who receive Centrelink and DVA benefits such as the aged pension etc. All systems include: Microsoft Windows 7, 6-month hardware warranty and free 1-year subscription to SafetyNet phone technical support and free delivery. Payment options include lay-by style direct deductions from Centrelink benefits. **For people new to computers**, we recommend the optional "Take the Teacher Home" package, which is a series of video tutorials. Our address is Unit A1 200 Coward St Ascot NSW 2020 – Tel: (02) 8907 3300.

Townsville Computer Recyclers (Ex-Government Notebooks and Computers). Telephone 07 4721 0620. We are located at 92 Boundary St., Railway Estate, Q. Notebooks starting from \$195, includes Word Processing, Spreadsheet, Anti-Virus etc. We have the largest range in Townsville of Refurbished Ex-Government Laptops and Desktops. Fantastic deals on Core 2 Duo, Intel i3 & i5 systems starting from \$295 with Windows 7 & 3-months warranty.

Vale Clare Watson

Clare Watson died 16 January 2016 at the Loreto Nursing Home. She joined U3A Townsville in 1989, two years after it started and was one of our earliest members. For many years she was a regular member of the U3A walking group.

CHRISTMAS FUNCTION – NOVEMBER 2015

U3A Townsville's Christmas function was enjoyed by many members in November. Kay Torkington kindly emceed the event again. We had theatre from the Ho family (taught by Joan Twine), a most appropriate poem recited by John Woosnan – Pam Eyres' 'Fifty Shades of Grey', and International Folk Dancing from Israel, Russia and Greece by Phillippa Johnson's Dance Class. Nanette Grace promoted History/Cooking talks on Friday afternoons - already very well attended. Graham Collins gave us an insight into his and Mary's trip to China – great photos. An extended version is to be a Friday talk in 2016. Ann from Creative Writers recited "The Heritage" poem. Our usual Raffles and Lucky Door Prizes extended the Christmas spirit to many members and a wonderful table of gifts, donated by members in lieu of Secret Santa, was able to be donated to a local charity. See some photos from the day below:

A family recipe from Bev Ponder handed down from her Gran –

BOILED FRUIT CAKE

Ingredients: 1kg mixed fruit, 250g dates, 1 sm tin crushed pineapple, 1 tabs coffee granules, ½ cup sugar, 250g butter, 2 cups water. (Optional – Nuts and glace cherries)

Bring all ingredients to boil and simmer for 10 minutes. Turn off heat and leave to go cold. Beat 3 eggs and add ½ cup brandy or rum. Mix into fruit. Add 2 tspns vanilla and mix. **[Set aside 2 cups of fruit mix.*]**

Sift 2 ½ cups plain flour with 5 tspns baking powder. Mix into main fruit mixture. Pour into prepared pans. Bake at 160 degrees for 1 hour. Check after 45 minutes. Cool a little then turn onto rack. Drizzle over more brandy or rum. Makes 1 large round or square or 2 log loaves.

To reserved* fruit mix, add 1 cup coconut flour, ½ cup arrowroot flour and 3 tspns baking powder. Pour in to ramekins and bake at 180 degrees for 25 – 25 minutes. Cool a little, then turn out onto rack. Drizzle with more brandy or rum.

Note: For convection microwave, bake at 180 degrees for 30 minutes or so.
